APPROVAL

Approval is hereby given to the Operator named in the above Application, pursuant to section 17 of the *Canada-Nova Scotia Offshore Area Petroleum Operations Framework Regulations*, to conduct the proposed well program subject to the following conditions:

1. Copies of all logs and well test data shall be submitted to the CNSOER by the Operator promptly after their acquisition,
2. The Operator shall comply with all conditions of the Operations Authorization (number noted below), under which the above well is to be drilled,
3. The Operator shall comply with such other conditions as are appended to this Approval, and
4. No change in the well program submitted in accordance with subsection 17(4)(b), (c), (d) and (e) of the above referenced regulations may be made unless it is first approved by a Conservation/Safety Officer of the CNSOER, and documented.
